## 2020...CLEAR VISION. FORWARD.

No, we didn't serve as many  
clients as in prior years, but we  
were able to help 15 adult  
adoptees locate their biological  
families. Our lives of our clients  
have been forever change.

### DAWG HOUZE & SPEED HOUZE

**12,000**

hours of fitness training for our DAWG HOUZE and SPEED HOUZE  
programs for kids 4 to 17 year old. Even in the midst of a global  
pandemic, social and political unrest, and a dissolved budget, GRAITH  
foundation serviced 60 student athletes for 10 months providing  
nightly meals, fitness training, and social development workshops.

GRAITH was able to adapt our  
workshops to virtual platforms WebEx  
and Zoom. We were able to reach more  
participants who were located all over  
the country. From New York to  
California, Oregon to Texas, our  
Genealogy workshops inspired  
hundreds to discover their roots.
